# Somnath Das

somnathdas4462@gmail.com | +91 8777392072 | LinkedIn | Portfolio

## Summary

Recent graduate in Information Technology with a strong foundation in programming, data structures, and problem solving. A quick learner with a positive attitude, actively improving technical and communication skills to build a successful career in the IT .

## Education

**University of Calcutta**, M.Tech in Information Technology — Aug 2025 – Present

**University of Kalyani**, B.Tech in Information Technology — Sept 2021 – Aug 2025

- **CGPA: 7.95/10** | Relevant: OS, DSA, DBMS, OOPS | **Final Project:** Plant Disease Detection

## Technical Skills

- **Languages:** Python, C/C++, Java
- **Framework:** Numpy, Pandas, Matplotlib, Scikit-Learn, Tensorflow
- **Web Technologies:** HTML/CSS, Javascript, Django/REST
- **Tools:** MySQL, PostgreSQL, Git, Docker, Linux

## Professional Skills

Problem-Solving, Analytical Thinking, Adaptable, Quick Learner.

## Projects

**Online Marketplace** — GitHub

- Engineered a secure e-commerce platform with robust architecture, implementing real-time features and scalable database design while applying software engineering best practices for maintainability.
- **Tech:** Python, Django, MySQL, JavaScript, System Design

**AI Plant Disease Detection System** — GitHub

- Developed a custom CNN architecture achieving 84% accuracy, built an end-to-end system from data processing to web deployment, and applied engineering principles to optimize model performance.
- **Tech:** Python, TensorFlow, Django, NumPy

**Real-time Communication System** — GitHub

- Engineered a WebSocket-based chat with advanced features, designed scalable backend architecture for concurrent users, and implemented efficient data structures for real-time updates.
- **Tech:** Django Channels, WebSockets, PostgreSQL

## Achievements & Certifications

- **C++ Problem Solving:** 5-Star Gold Badge on HackerRank
- **LeetCode:** 150+ problems solved (DSA and Algorithms)
- **NPTEL Data Science:** Elite Certification (Top 5% nationwide)
- **Academic:** A+ grade in Final Year Project
